Group 86 12000 Fans, stationary
Model/type VILPE IMURI E190
Data 80W 230V AC 50Hz
Other specification Cl. I, IP34

The above product is certified according to the following standard(s) Safety std.: EN 60335-2-80:97 (including EN 60335-1:94 + A11:95 + A1:96 + A12:96 + A13:98 + A14:98)

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemko's name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.
New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

Additional information The certificate is based on Notification of Test Results from SGS Fimko Ltd. The design is presupposed to be identical to the sample tested.
Compliance with requirements regarding electromagnetic compatibility (EMC) is based on a self declaration from the manufacturer/representative according to the European EMC Directive.

Variants This Certificate also covers variants with Position No. from 001 to 004
